The Bears Football Club Of Monument (BFCOM) is a 501©3 non-profit organization established in 2008 primarily to support the Palmer Ridge Football Program as well as local youth football programs. We are a group of player's parent volunteers, unaffiliated with the Lewis-Palmer School District and Palmer Ridge High School, raising funds to meet the needs of our local programs.

The money we raise from this Golf Tournament will go to pay for shoulder pads, helmets, and other necessary equipment and operating expenses not paid for by the District.
